College Scholarship Program

ELIGIBILITY

Must be an outstanding chemistry student.

Must plan to attend a junior college, college, or university.

Must plan to declare a major in chemistry or chemical engineering.

Financial need will be a consideration.

AMOUNT

Two \$1000 scholarships will be awarded to students from high schools in Brazoria County.

SELECTION

Candidates shall complete the application form supplied by the Brazosport Section of the ACS. This form shall be submitted along with the standard scholarship application supplied by the high school guidance office and an official transcript. Selection of recipients will be made by the Scholarship and Awards Committee of the Brazosport Section of the American Chemical Society. Application deadline is April 1.
